**European Aviation Safety Agency** 

### How we work today

#### → Rulemaking

- \* The Agency's procedures are in operation
- \* The JAA work programme is taken over by the Agency

#### → Certification

- \* Certificates and approvals are signed by the Agency
- \* Certification experts are joining the Agency
- \* Temporary service contract with CJAA signed
- \* Temporary outsourcing contracts with NAAs about to be signed

General presentation February 2004

٥

**European Aviation Safety Agency** 

### How we are going to work

#### > In the forthcoming months and years

- \*The Agency takes over the tasks internally in parallel with its staff growth
- ★The contracts are phased out accordingly

General presentation February 2004

## European

**European Aviation Safety Agency** 

### **Conclusions**

- → The Agency is built on a strong legal basis which provides certainty to stakeholders
- > Minimal disruption to ongoing activities
- → The Agency is the European interlocutor in aviation safety
- The relationship with the FAA is key to ensure the highest level of safety worldwide
